

## If you've already purchased the movie:

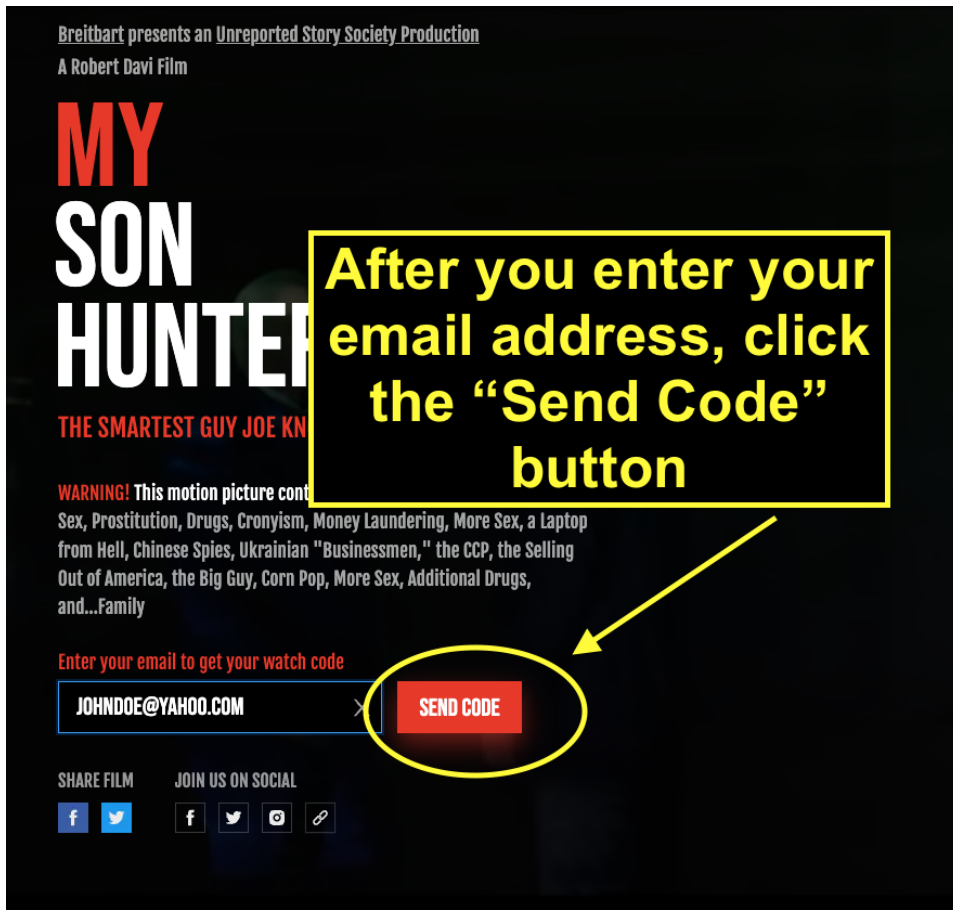

**Step 1:** Go to [MySonHunter.com](https://MySonHunter.com) and click "WATCH HERE."

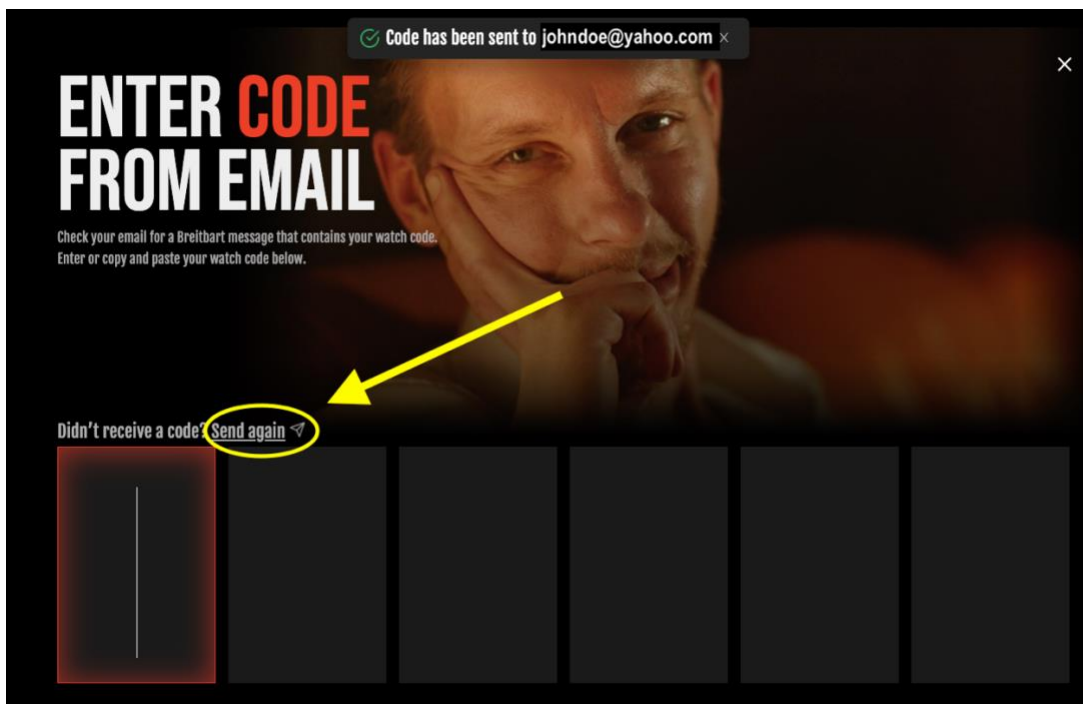

**Step 2:** Enter the email address you used to purchase the movie. You MUST use the email address you used when you purchased.

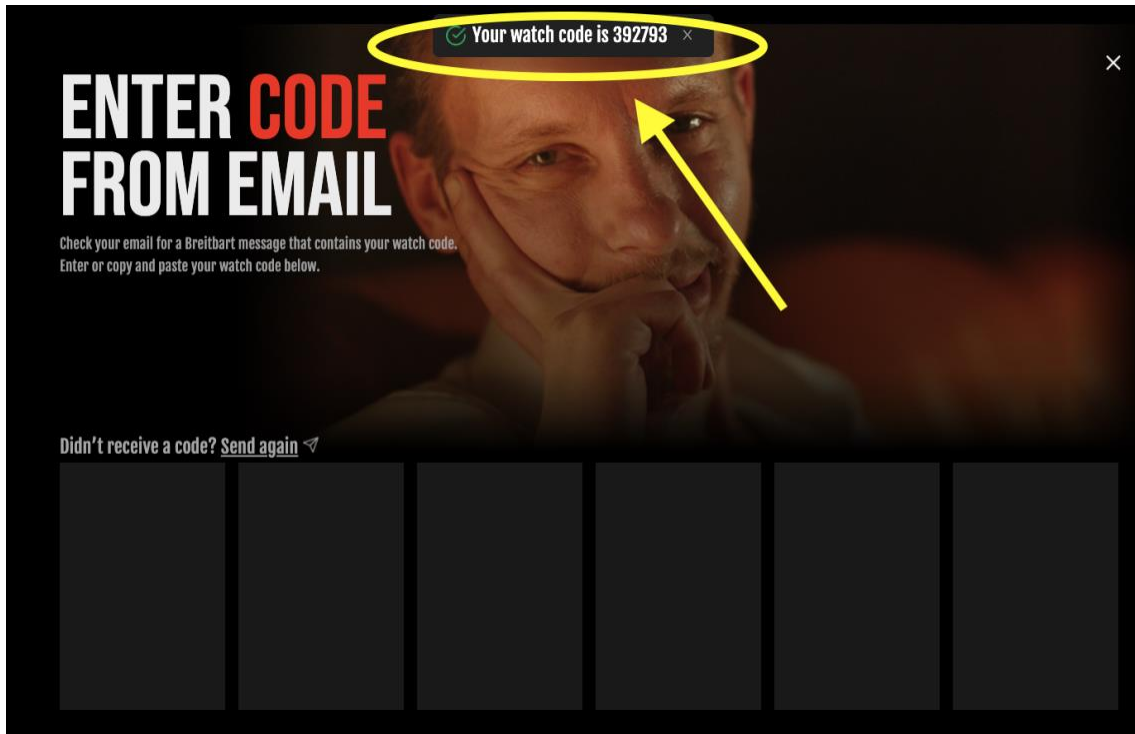

**Step 3:** After you enter your email address, a “SEND CODE” button will pop up. Click that button.

**Step 4:** You will automatically be sent to the code entry page, which instructs you to check your email for your watch code. But here’s a secret shortcut: Stay on the page and simply click “Send again,” where it says, “Didn’t receive a code? Send again.”

**Step 5:** After you click “Send again,” your watch code will pop up at the top of your code entry page, like this (see below).

**Step 6:** Enter the 6-digit watch code numbers into the 6 large boxes at the bottom of the page, and you will automatically be sent to the movie’s video streaming page. Now you can start watching the movie!

You may watch (or stream) the movie as many times as you’d like for no additional charge. You will need a new 6-digit watch code every time you stream the movie. (But don’t worry, you are not charged for these watch codes.)

**Optional Step 6:** If you want to download the movie, scroll down below the video player and click the “DOWNLOAD MOVIE” button. If you download the movie to your device, you will no longer need a 6-digit watch code to view it because you will have your own copy.
